MESSAGE FROM THE PRESIDENT – Shawn Wilkie

Happy Summer, neighbors! Now that school is out for summer break and pool season has started, we'll be seeing more and more of our neighbors—young and old—walking the sidewalks and streets. Please, please, please take your time driving through the neighborhood and obey the posted speed limits. While I know it can be frustrating to maintain a speed of 25 mph (or less!), it's for the safety of everyone in the neighborhood. And before you dismiss this message with the thought that "I always obey the speed limit," take a moment to think about reminding the other drivers in your family. We can all—even spouses—use a reminder from time to time, or perhaps you have a younger driver who is less experienced and hasn't thought about the consequences of driving too fast in a residential neighborhood. We had at least two instances near the end of the school year in which a morning driver in a hurry pulled around a stopped school bus that had its "STOP" sign extended. That's not just dangerous, it's illegal. You may have noticed the speed limit radar sign that recently showed up on Wickfield...that is just a friendly reminder for everyone to be aware of your speed as you drive through the neighborhood, because the police are watching. Please do your part to help avert an avoidable tragedy.

At this point, I hope everyone has taken advantage of the weather to experience in person some of the many improvements that are taking place in the neighborhood. Not only were both pools re-plastered, but the new pool furniture has arrived and it looks great! New mulch is being ordered for the playground, and the Board is also exploring options to repair the cracks and make other improvements to the tennis courts. All of these improvements (and many others in the works) are the result of your feedback through the neighborhood survey. Please keep sharing your thoughts with us, through Nextdoor, Facebook and the Copperfield Hotline.

I hope your summer is off to a great start, and only gets better from here. See you around!

Your neighbor,

Shawn

COPPERFIELD'S YARD SALE

Saturday, June 11th, 2016

8:00 AM to 2:00 PM

Advertising will be placed in the Courier-Journal.

Thank you to Christi Dennison from ReMax Reality for sponsoring our sale this year.

Here are a few suggestions that may be helpful.

- Make sure you are visible; you may miss out if you cannot be seen from the street.
- Have all items marked with a price, and a size if required.
- If an item runs on batteries have batteries available or use an extension cord if electricity is needed.
- Arrange like items together on hangers or a table. Clothing items should be clean.
- If possible have bags or boxes available for sold items to be carried out by customers.
- If you are in the front of your home, keep the back of your home locked.
- Don't miss out on a sale because you do not have change: a roll of quarters, 20 one dollar bills, 5 fives, 4 tens would be a good start. Price items so you do not get into nickels and pennies. Have a calculator handy and keep money on your person.
- Cash only sales, some people just look honest.

ARE YOUR TREES AT 7 FEET?

The Copperfield Homeowners Association would like to remind residents to check their trees, shrubs, and other landscaping over driveways and sidewalks to make sure they are in compliance. Here is an easy checklist you can use to see how your property fares:

- Tree limbs should be limbed up to a minimum of 7 feet above sidewalks and driveways.
- Shrubs and other landscaping bordering sidewalks should not encroach any area of the sidewalk and should be cut back accordingly.

Please take a moment the next time you are maintaining your yard to see if you pass the test. If you had to limb your tree or prune last year, chances are that your landscaping has grown this year and needs to be readjusted. Your efforts really made a difference for our residents using sidewalks last year and we ask for your help again this year in providing a safe environment.

The Weather is Beautiful... BE CAUTIOUS DRIVING!

"Spring is here!" The days are longer, warmer, and sunnier. This gorgeous change means more children will be playing and riding bikes outdoors. It also means more residents exercising outdoors. Please drive slowly and carefully. Be cautious! The speed limit is 25mph. This should be obeyed at all times.
